

## **Pledge on “One Nation, One Election”**

---

We, the students of India, pledge to support the vision of the Honorable Prime Minister of India Shri Narendra Modi Ji on “One Nation One Election”.

We also support the recommendations of a high-level committee led by former President of India Shri Ram Nath Kovind Ji on “One Nation One Election”.

“One Nation One Election” is a positive step towards electoral reform. Its objective is to synchronize the elections of the state assemblies with the Lok Sabha elections. This bill will undoubtedly serve as a milestone in realizing the vision of **Viksit Bharat@2047** proposed by Prime Minister Shri Narendra Modi.

**“One Nation, One Election” is the need of the hour in India.** Frequent elections become obstacles to the governance process and the country’s progress. Leaders, the public, and party workers are all engaged in election preparations. Constitutional and administrative officials are also involved in election duties. As a result, the implementation of welfare programs gets delayed and disrupted. Similarly, the expenditure and misuse of public resources due to frequent elections highlight the need for “One Nation One Election.” This concept has the potential to make the Indian democratic process more streamlined, efficient, and participatory.

We, the students of India, pledge to spearhead a mass campaign to transform the vision of “One Nation One Election” into a ground reality, and contribute to the realization of the dream of *Viksit Bharat@2047*.
